System 700

Circuit 700

PRECISION DEPANELLING UNIT

This versatile de-panelling machine is designed to separate & condition scored boards at any stage of production - pre or post loading

Multiscore 700

SEMI-AUTOMATIC SCORING UNIT

The Original Semi Auto V Cut scoring system developed for the rigours of large batch production with double sided scores

Quickscore 700

MANUAL SCORING UNIT

Manual version of the Multiscore with almost identical specification but sheds the power feed mechanism.

Cirkit 450

TRACK WELDER

An invaluable addition to the production system for making cost effective repairs to flawed tracks

High Quality Consumables

PCB Production Equipment

Track Weld Electrodes • Track Weld Ribbon • Scoring Cutters
• Depanelling Blades • Metering Eqpt.

designed & produced by the graphic studio 01278 662122

The Consumables Catalogue

Seetrax CAE Ltd supply Premium Quality Consumables for use with their PCB Production Equipment. All items are OEM & guaranteed for the use with Seetrax products. Seetrax Consumables are also compatible with similar systems.

WARNING - Low quality consumables can dramatically effect precision & effectiveness.

TRACK WELDING

CIRKIT WELD REPAIR RIBBONS

Our Tin-Lead Plated Copper ribbon ensures a perfect weld, with excellent conductivity, every time ... at a very low cost. Use in conjunction with Cirkit Weld 450 Track Weld Repair Station or any similar track welder. Available in 30m Spools

Quantity	Thickness	Order Number
1 Spool	0.003/0.003"	CU30
1 Spool	0.004/0.003"	CU40
1 Spool	0.005/0.003"	CU50
1 Spool	0.006/0.003"	CU60
1 Spool	0.008/0.003"	CU80
1 Spool	0.010/0.003"	CU100
1 Spool	0.012/0.003"	CU120
1 Spool	0.015/0.003"	CU150
1 Spool	0.020/0.003"	CU200
1 Spool	0.040/0.003"	CU400

CIRKIT WELD ELECTRODES

An extensive range of Electrodes manufactured by Seetrax and available to suit not only the JWA/Seetrax CAE Cirkit Weld 450 but most other popular track welders

Quantity	Size	Order Number
1 Pair	10 Thou	EL10
1 Pair	15 Thou	EL15
1 Pair	20 Thou	EL20
1 Pair	30 Thou	EL30
1 Pair	Special Sizes	ELSP

PCB SCORING

MULTI SCORE & QUICKSCORE CARBIDE CUTTERS

The very highest quality carbide cutters available, ensuring precision scoring and long service at low cost

Quantity	Angle	Order Number
1 Item	30°	MQC30
1 Item	45°	MQC45
1 Item	60°	MQC60

DATASCORE DIAMOND CUTTERS

Highest quality diamond cutters available, developed for the rigors of the CNC system ensuring precision scoring and long service at low cost. Price includes fitting.

Quantity	Angle	Order Number
1 Item Diamond	30°	DSD30
1 Item Diamond	45°	DSD45
1 Item Diamond	60°	DSD60

MULTI SCORE & QUICKSCORE MAINTENANCE ACCESSORIES

OEM Serviceable Parts & Kits which will maintain the quality of production and keep your machine in top condition

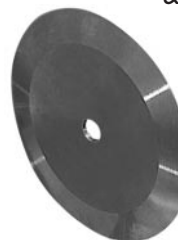

Quantity	Item	Order Number
Single	Cutter Holder	MQCH
1 Set	Pin Locators	MQCP
1 Kit	Setting Tools	MQCT
1 Item	Dig. Score Gauge	MQDG
1 Item	Man. Score Gauge	MQMG

PCB DEPANELLING

CIRCUIT 700 SEPARATOR BLADES

OEM Circuit blades are precisely ground and hardened to achieve an effortless, stress-free & conditioned breakout.

Quantity	Item	Order Number
1 Item	Hardened Blades	CCT1
1 Kit	Setting Tools	CCT2
1 Pair	Top Guides	CCT3
1 Pair	Lower Guides	CCT4
1 Item	Re-Grind Blade	CCT5
